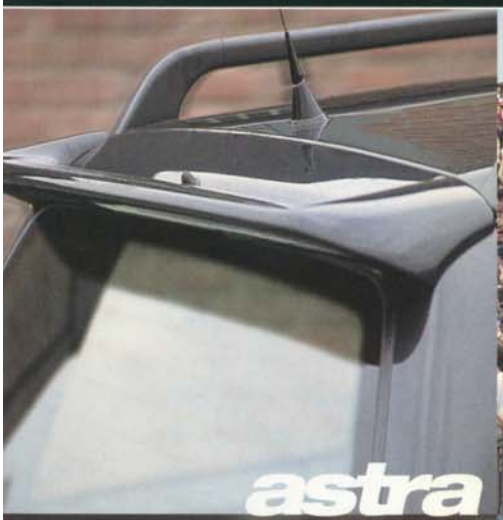
STEINMETZ®

OPEL-TUNING



astra

leicht-athlet.

Ein Steinmetz Astra macht mit seinen Leichtmetallfelgen eine schöne Figur. Aber er hat auch innere Werte: Einzeldrosselklappen steigern die Leistung entscheidend, Aluminium-Pedale bringen Rennfahrer-Feeling in den Alltag.

the athlet.

A Steinmetz Astra cuts a fine figure with its alloy wheels. But it also has hidden virtues: a single-throttle system increases the power level considerably, aluminium pedals create a racing atmosphere in everyday driving.
